

QUESTIONNAIRE
for a preliminary commercial offer
THERMOPLASTIC COMPOSITE PIPES TCP
(Reinforced Thermoplastic Pipes, RTP)

CONTACT INFORMATION

Company _____
Country _____
Address _____
Contact person _____
Tel. _____
E-mail _____
Website _____

GENERAL INFORMATION

Are you familiar with the manufacture of composite reinforced pipes? Yes No

You know the architecture (design) of TCP / RTP pipes? Yes No

The design of the pipes you are planning to manufacture? (if known)

In accordance with which regulatory documents (standards) are you planning to produce pipes?

National standard Technical conditions API RP 15S DNVGL-ST-F119

Other _____

MATERIALS

What polymers are you planning to use for the Liner / UD Tape / Sheath?

HDPE PE-RT PA PVDF PEEK Other _____ Unknown

You know the material of the continuous reinforcing tape (UD tape)?

Glass Carbon Aramid Other _____

You are planning to produce UD tape? Yes No

REQUIREMENTS

Application Under water On ground Other _____

Ambient temperature _____ °C F

Conveyed medium Water Oil Gas Methanol
 Other _____

The chemical composition is known? Yes No

Nominal inner diameter, "/mm 2"/50 3"/75 4"/100 5"/125 6"/150
 Other _____

Working temperature of medium _____ °C F

Maximum temperature of medium _____ °C F

Operating pressure _____ bar psi

Maximum operating pressure _____ bar psi

Other _____

Packing

Coils, length of pipes in a coil _____

Drum (reel)

Drum width _____ [m] [ft]

Drum outside diameter _____ [m] [ft]

Drum core diameter _____ [mm] ["]

Other _____

Planned annual production
(*thousand meters*)

Total _____

2"/50 _____

3"/75 _____

4"/100 _____

5"/125 _____

6"/150 _____

INFRASTRUCTURE

Are you planning to build a new building?

Yes

No

Dimensions of the existing building:

Length

Width

Height

[m]

[ft]

NOTE

Please send this questionnaire to our e-mail plant@fartrouven.pt

Confidentiality. Fartrouven R&D confirms that the information provided by the Company in this questionnaire, as well as the fact of negotiations of the Company on the supply of equipment, are confidential information and cannot be disclosed to third parties.
